HOW TO READ THE BIBLE

Begin with prayer for the Holy Spirit to guide you into truth (John 14:16-17, 26). Mark, write in, or highlight your Bible to identify key insights. Read prayerfully, humbly and slowly to enjoy God’s Word.

Not everyone likes to journal, but if you do, jot down your observations, questions, insights, etc. Then discuss what God is revealing to you from your journal with your Bible Companion.

INTRO AND REFLECT

The “Intro” days will help you first see the big picture of a book of the Bible before you start reading. Use a study Bible to learn the main themes, context, characters, book outline, why it was written, etc.

Use your “Reflect” days to more deeply reflect on what God is communicating to you through scripture as you finish each book. We recommend visiting www.bibleproject.com.

WALKING WITH THE WORD

We desire holistic spiritual transformation, not just more information. As Christ’s disciples, we are seeking to be transformed in our hearts, minds and will such that we become like Christ.

This is how the world can then see what a life-giving, authentic relationship with God can be like. May God bless you as you let the Word of Christ dwell in you richly and as you teach and admonish one another with all wisdom. (Colossians 3:16)
